INFORMATION CIRCULAR
(as at October 25, 2025, unless otherwise stated)

This Information Circular (the “Circular”) is provided in connection with the solicitation of proxies by the Management of Liberty Defense Holdings, Ltd. (the “Company”). The form of Proxy which accompanies this Circular (the “Proxy”) is for use at the Annual General Meeting of the Shareholders of the Company to be held on Tuesday, November 30, 2022 (the “Meeting”), at the time and place set out in the accompanying Notice of Meeting (the “Notice of Meeting”).

In this Circular, “Common Shares” means Common Shares without par value in the capital of the Company.

All references to Shareholders in the Notice of Meeting, Circular and the accompanying Proxy are to Registered Shareholders of the Company as set forth on the List of Registered Shareholders of the Company maintained by the Registrar and Transfer agent for the Company, Computershare Trust Company of Canada (“Computershare”), unless specifically stated otherwise.

“Beneficial Shareholders” means shareholders who do not hold Common Shares in their own name and “Intermediaries” refers to brokers, investment firms, clearing houses and similar entities that own securities on behalf of Beneficial Shareholders.

Unless otherwise indicated, all security amounts included herein are provided on a post-Consolidation basis, reflecting the consolidation of the Common Shares on the basis of 6.2 pre-Consolidation Common Shares for one (1) post-Consolidation Common Share which consolidation was effective as of March 17, 2021 (the “Consolidation”).

In view of the precautions required with respect to COVID-19, any Shareholder who wishes to attend the Meeting in person must contact the Company at least 48 hours prior to the Meeting at 604 809-2500.

GENERAL PROXY INFORMATION

Solicitation of Proxies

The solicitation of proxies will be primarily by mail, but proxies may be solicited personally or by telephone by directors, officers and regular employees of the Company. The Company will bear all costs of this solicitation. We have arranged for intermediaries to forward the meeting materials to beneficial owners of the Common Shares held of record by those intermediaries and we may reimburse the intermediaries for their reasonable fees and disbursements in that regard.

Appointment of Proxyholders

The individuals named in the accompanying form of proxy (the “Proxy”) are officers and/or directors of the Company. **If you are a Shareholder entitled to vote at the Meeting, you have the right to appoint a person or company other than the persons designated in the Proxy, who need not be a Shareholder, to attend and act for you and on your behalf at the Meeting. You may do so either by inserting the name of that other person in the blank space provided in the Proxy or by completing and delivering another suitable form of Proxy.**

Voting by Proxyholder

The persons named in the Proxy will vote or withhold from voting the Common Shares represented thereby in accordance with your instructions on any ballot that may be called for. If you specify a choice with respect to any matter to be acted upon, your Common Shares will be voted accordingly. The Proxy confers discretionary authority on the persons named therein with respect to:

- (a) each matter or group of matters identified therein for which a choice is not specified, other than the appointment of an auditor and the election of directors;
- (b) any amendment to or variation of any matter identified therein; and
- (c) any other matter that properly comes before the Meeting.

In respect of a matter for which a choice is not specified in the Proxy, the management appointee acting as a proxyholder will vote in favour of each matter identified in the Proxy and, if applicable, for the nominees of management for directors and auditor as identified in the Proxy.

Registered Shareholders

Registered Shareholders may wish to vote by proxy whether or not they are able to attend the Meeting in person. Registered Shareholders who wish to submit a proxy may choose one of the following voting options:

- (a) complete, date and sign the Proxy and return it to Computershare by fax within North America at 1-866-249-7775, outside North America at (416) 263-9524, or by mail to the 8th Floor, 100 University Avenue, Toronto, Ontario, M5J 2Y1 or by hand delivery at 3rd Floor, 510 Burrard Street, Vancouver, British Columbia, V6C 3B9; or
- (b) use a touch-tone phone to transmit voting choices to the toll-free number given in the Proxy. Registered Shareholders who choose this option must follow the instructions of the voice response system and refer to the enclosed Proxy form for the toll-free number and the holder's 15-digit control number; or
- (c) via the internet at Computershare's website, www.investorvote.com. Registered Shareholders must follow the instructions provided and refer to the enclosed Proxy form for the holder's 15-digit control number.

In any case, Registered Shareholders must ensure the Proxy is received at least 48 hours (excluding Saturdays, Sundays and statutory holidays) before the Meeting or the adjournment thereof. Failure to complete or deposit a Proxy properly may result in its invalidation. The time limit for the deposit of Proxies may be waived by the Company's board of directors (the "Board") at the discretion of the Board without notice.

Beneficial Holders of Common Shares

The information set forth in this section is of significant importance to many shareholders, as a substantial number of shareholders do not hold common shares in their own name. Shareholders who hold their common shares through their brokers, intermediaries, trustees or other persons, or who otherwise do not hold their common shares in their own name (referred to herein as "**Beneficial Shareholders**") should note that only Proxies deposited by Shareholders who appear on the records maintained by the Company's registrar and transfer agent as registered holders of common shares will be recognized and acted upon at the Meeting. If common shares are listed in an account statement provided to a Beneficial Shareholder by a broker, then those common shares will, in all likelihood, not be registered in the Shareholder's name. Such common shares will more likely be registered under the name of the Shareholder's broker or an agent of that broker. In Canada, the vast majority of such shares are registered under the name of CDS & Co. (the registration name for CDS Clearing and Depository Services Inc., which acts as nominee for many Canadian brokerage firms). In the United States, the vast majority of such common shares are registered under

the name of Cede & Co., the registration name for The Depository Trust Company, which acts as nominee for many United States brokerage firms. Common shares held by brokers (or their agents or nominees) on behalf of a broker's client can only be voted or withheld at the direction of the Beneficial Shareholder. Without specific instructions, brokers and their agents and nominees are prohibited from voting shares for the broker's clients. **Therefore, each Beneficial Shareholder should ensure that voting instructions are communicated to the appropriate person well in advance of the Meeting.**

Existing regulatory policy requires brokers and other intermediaries to seek voting instructions from Beneficial Shareholders in advance of shareholder meetings. The various brokers and other intermediaries have their own mailing procedures and provide their own return instructions to clients, which should be carefully followed by Beneficial Shareholders in order to ensure that their common shares are voted at the Meeting. The form of instrument of Proxy supplied to a Beneficial Shareholder by its broker (or the agent of the broker) is substantially similar to the Proxy provided directly to registered shareholders by the Company. However, its purpose is limited to instructing the registered shareholder (i.e., the broker or agent of the broker) how to vote on behalf of the Beneficial Shareholder. The vast majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions Inc. ("**Broadridge**") in Canada. Broadridge typically prepares a machine-readable voting instruction form ("**VIF**"), mails those forms to Beneficial Shareholders and asks Beneficial Shareholders to return the VIFs to Broadridge, or otherwise communicate voting instructions to Broadridge (by way of the internet or telephone, for example). Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of shares to be represented at the Meeting. **A Beneficial Shareholder who receives a Broadridge VIF cannot use that form to vote common shares directly at the Meeting. The VIFs must be returned to Broadridge (or instructions respecting the voting of common shares must otherwise be communicated to Broadridge) well in advance of the Meeting in order to have the common shares voted. If you have any questions respecting the voting of common shares held through a broker or other intermediary, please contact that broker or other intermediary for assistance.**

The Notice of Meeting, Circular, Proxy (or VIF, as applicable), are being provided to both Registered Shareholders and Beneficial Shareholders. Beneficial Shareholders fall into two categories – "objecting beneficial owners" are the beneficial shareholders who object to their identity being known to the issuers of securities which they own ("**OBOs**"); and (non-objecting beneficial owners") the beneficial shareholders who do not object to their identity being made known to the issuers of the securities which they own ("**NOBOs**"). Subject to the provisions of National Instrument 54-101 - *Communication with Beneficial Owners of Securities of a Reporting Issuer* ("**NI 54-101**"), issuers may ask for and obtain a list of their NOBOs from intermediaries directly or via their transfer agent and may obtain and use the NOBO list for the distribution of proxy-related materials directly (not via Broadridge) to such NOBOs.

If you are a Beneficial Shareholder and the Company or its agent has sent these materials directly to you, your name, address and information about your holdings of common shares have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding the common shares on your behalf.

The Company has distributed copies of the Notice of Meeting, Circular and VIF to intermediaries for distribution to NOBOs. Unless you have waived your right to receive the Notice of Meeting, Circular and VIF, intermediaries are required to deliver them to you as a NOBO of the Company and to seek your instructions on how to vote your common shares.

The Company's OBOs can expect to be contacted by Broadridge or their brokers or their broker's agents. The Company does not intend to pay for intermediaries to deliver the Notice of Meeting, Circular and VIF to OBOs and accordingly, if the OBO's intermediary does not assume the costs of delivery of those documents in the event that the OBO wishes to receive them, the OBO may not receive the documentation.

Although a Beneficial Shareholder may not be recognized directly at the Meeting for the purposes of voting common shares registered in the name of his broker, a Beneficial Shareholder may attend the Meeting as proxyholder for the registered shareholder and vote the common shares in that capacity. NI 54-101 allows a Beneficial Shareholder to submit to the Company or an applicable intermediary any document in writing that requests that such Beneficial Shareholder, or a nominee of the Beneficial Shareholder, be appointed as proxyholder. If such a request is received, the Company or an intermediary, as applicable, must arrange, without expenses to the Beneficial Shareholder, to appoint such Beneficial Shareholder or its nominee as a proxyholder and to deposit that Proxy within the time specified

in this Circular, provided that the Company or the intermediary receives such written instructions from the Beneficial Shareholder at least one business day prior to the time by which proxies are to be submitted at the Meeting, with the result that such a written request must be received by 10:00 a.m. (Vancouver time) on the day which is at least three business days prior to the Meeting. **A Beneficial Shareholder who wishes to attend the Meeting and to vote their common shares as proxyholder for the registered shareholder, should enter their own name in the blank space on the VIF or such other document in writing that requests that the Beneficial Shareholder, or a nominee of the Beneficial Shareholder, be appointed as proxyholder and return the same to their broker (or the broker's agent) in accordance with the instructions provided by such broker.**

Notice to Shareholders in the United States

This solicitation of proxies involves securities of an issuer located in Canada and is being effected in accordance with the corporate laws of the Province of British Columbia, Canada and the securities laws of the provinces of Canada. The proxy solicitation rules under the *United States Securities Exchange Act of 1934*, as amended, are not applicable to the Company or this solicitation, and this solicitation has been prepared in accordance with the disclosure requirements of the securities laws of the provinces of Canada. Shareholders should be aware that disclosure requirements under the securities laws of the provinces of Canada differ from the disclosure requirements under United States securities laws.

The enforcement by Shareholders of civil liabilities under United States federal securities laws may be affected adversely by the fact that the Company is governed by the *Business Corporations Act* (British Columbia) (the "BCA"), as amended, certain of its directors and its executive officers are residents of Canada and a substantial portion of its assets and the assets of such persons are located outside the United States. Shareholders may not be able to sue a foreign company or its officers or directors in a foreign court for violations of United States federal securities laws. It may be difficult to compel a foreign company and its officers and directors to subject themselves to a judgment by a United States court.

Revocation of Proxy

In addition to revocation by any other manner permitted by law, a Registered Shareholder who has given a Proxy may revoke it by:

- (a) executing a Proxy bearing a later date or by executing a valid notice of revocation, either of the foregoing to be executed by the Registered Shareholder or the Registered Shareholder's authorized attorney in writing, or, if the shareholder is a corporation, under its corporate seal by an officer or attorney duly authorized, and delivering the Proxy bearing a later date or the valid notice of revocation to Computershare at the time and place noted above or to the Chairman of the Meeting on the day of the Meeting or adjournment thereof; or
- (b) attending the Meeting or any adjournment of the Meeting and registering with the scrutineer as a shareholder present in person.

CURRENCY

Unless otherwise noted, all amounts in this Circular are shown in United States dollars, which is the currency used to prepare the Company's financial statements. References to "C\$" are to Canadian dollars.

FINANCIAL STATEMENTS

The audited consolidated financial statements of the Company for the years ended December 31, 2021 and December 31, 2020, together with the auditor's report thereon and related Management's Discussion and Analysis ("MD&A") will be presented to shareholders at the Meeting. These documents are available under the Company's profile on SEDAR at www.sedar.com.

CORPORATE GOVERNANCE DISCLOSURE

National Instrument 58-101 - *Disclosure of Corporate Governance Practices*, requires all reporting issuers to provide certain annual disclosure of their corporate governance practices with respect to the corporate governance guidelines (the “**Guidelines**”) adopted in National Policy 58-201. These Guidelines are not prescriptive, but have been used by the Company in adopting its corporate governance practices. The Board and Management consider good corporate governance to be an integral part of the effective and efficient operation of Canadian corporations. The Company’s approach to corporate governance is set out below.

Board of Directors

Management is nominating four individuals to the Board, all of whom are current directors of the Company.

The Guidelines suggest that the board of directors of every reporting issuer should be constituted with a majority of individuals who qualify as “independent” directors under NI 52-110, which provides that a director is independent if he or she has no direct or indirect “material relationship” with the Company. The “material relationship” is defined as a relationship which could, in the view of the Company’s Board, reasonably interfere with the exercise of a director’s independent judgement. All of the current members of the Board are considered “independent” within the meaning of NI 52-110, except for William Frain, who is the Chief Executive Officer of the Company.

Directorships

None of the directors of the Company are also on the board of directors of another reporting issuer.

Orientation and Continuing Education

The current members of the Company's Corporate Governance Committee are Arjun Grewal (Chair), Daryl Rebeck and William Frain. The Corporate Governance Committee is responsible for the orientation of new directors and overseeing continuing education for the directors. All new directors receive a comprehensive Board manual as part of their orientation. At this stage of the Company's development the Board, through its Corporate Governance Committee, does not feel it necessary to have a formal continuing education program in place.

Ethical Business Conduct

To date, the Board has not adopted a formal written Code of Business Conduct and Ethics. However, the current size of the Company's operations, and the number of officers and consultants, allow the Board to monitor, on an ongoing basis, the activities of management and to ensure that the highest standard of ethical conduct is maintained. As the Company grows in size and scope, the Board anticipates that it will formulate and implement a formal Code of Business Conduct and Ethics.

Nomination of Directors

The Corporate Governance Committee is responsible for identifying new candidates to the Board and recommending such candidates to the Board. The recruitment process involves both formal and informal discussions among Board members.

Compensation

The current members of the Compensation Committee are Arjun Grewal (Chair), Daryl Rebeck and William Frain. The Compensation Committee annually reviews the performance objectives for senior executive officers and recommends any changes to the Board for consideration. The Board also annually reviews the compensation of the directors and recommends any changes to the Board for consideration. In reviewing and making recommendations on the compensation of senior executive officers and directors, the Compensation Committee requires the members of the Committee to reflect the following approach:

- their respective duties and responsibilities;
- be competitive in attracting, retaining and motivating high quality and high performing Directors and senior executives of the Company;
- align the interests of the Directors and the senior executives of the Company with shareholders and the Company as a whole;
- be based on established corporate and individual performance objectives; and
- not encourage the taking of inappropriate or excessive risks.

Other Board Committees

At the present time, the Company has an Audit Committee, a Compensation Committee and a Corporate Governance Committee.

Assessments

The Corporate Governance Committee is responsible for the evaluation of the performance and effectiveness of the Board, committees of the Board and individual directors. At present, the Committee does not have a formal process in place for these evaluations but will consider implementing one in the future should circumstances warrant.

PARTICULARS OF MATTERS TO BE ACTED ON

Approval of the Omnibus Long-Term Incentive Plan, as Amended

The Company's Omnibus Long-Term Incentive Plan (the "**Incentive Plan**"), was initially adopted by the Board on January 22, 2019 and the shareholders approved adoption of the Incentive Plan on February 20, 2019. Shareholders have approved the Incentive Plan at each subsequent annual shareholder meeting of the Company, which was last approved by the shareholders on November 30, 2021. Pursuant to the new Policy 4.4 – *Share-Based Compensation* ("**Policy 4.4**") of the TSX Venture Exchange (the "**Exchange**"), the Board has amended the Incentive Plan to comply with requirements of Policy 4.4 and to add a cashless exercise provision. The Board has approved such amendments effective October 25, 2022. At the Meeting the shareholders will be asked to vote on and, if deemed appropriate, to pass an ordinary resolution to approve the Incentive Plan, as amended, for renewal.

Material Terms

Following is a description of the key terms of the Incentive Plan, which is qualified in its entirety by reference to the full text of the Incentive Plan.

The Company's directors, executive officers, employees and consultants, are eligible to participate in the Company's Incentive Plan, which is comprised of stock options ("**Options**"), restricted share units ("**RSUs**") and deferred share units ("**DSUs**") of the Company, issued pursuant to the Incentive Plan. The purpose of the Incentive Plan is to promote greater alignment of interests between employees and shareholders, and to support the achievement of the Company's longer-term performance objectives, while providing a long-term retention element.

The Incentive Plan allows for a variety of equity-based awards that provide different types of incentives to be granted to the Company's directors, executive officers, employees and consultants, and will facilitate the grant of Options, RSUs or DSUs (collectively, the "**Awards**") representing the right to purchase one Common Share; and, in the case of RSUs and DSUs, the right to receive one Common Share, the cash equivalent of one Common Share, or a combination thereof, in accordance with the terms of the Incentive Plan. The following discussion is qualified in its entirety by the text of the Incentive Plan.

Under the terms of the Incentive Plan, the Board, or if authorized by the Board, a Committee of the Board, may grant Awards to eligible Participants, who are defined in the Incentive Plan as directors, officers, senior executives and other employees of the Company. Awards may be granted at any time and from time to time in order to: (a) increase Participants' interest in the Company's welfare; (b) provide incentives for Participants to continue their services; and (c) reward Participants for their performance of services. Participation in the Incentive Plan is voluntary and, if an Eligible Participant agrees to participate, the grant of Awards will be evidenced by a grant agreement with each such Participant. The interest of any Participant in any Award is non-assignable and non-transferable, whether voluntary, involuntary, by operation of law or otherwise, except upon the death of the Participant.

The Incentive Plan provides that appropriate adjustments, if any, are made by the Board in connection with a reclassification, reorganization, consolidation, distribution, merger, amalgamation, plan of arrangement, spin-off, dividend payment or other change of the Common Shares issuable or amounts payable to preclude a dilution or enlargement of the benefits under the Incentive Plan. In the event that a Participant receives Common Shares in satisfaction of an Award during a black-out period, such Participant shall not be entitled to sell or otherwise dispose of such Common Shares until such black-out period has expired.

The maximum number of Common Shares reserved for issuance, in aggregate, under the Incentive Plan, together with all share-based compensation arrangements of the Company, is 10% of the issued and outstanding Common Shares,

calculated as at the date any Security Based Compensation is granted or issued to any Eligible Participant. The aggregate number of Common Shares (i) issued to Insiders under the Incentive Plan or any other proposed or established share-based compensation arrangement within any one-year period and (ii) issuable to Insiders at any time under the Incentive Plan or any other proposed or established share-based compensation arrangement, shall in each case not exceed 10% of the aggregate number of issued and outstanding Common Shares (on a non-diluted basis), or such other number as may be approved by the Exchange and the shareholders of the Company from time to time. The aggregate maximum number of Common Shares issued to any one Person under the Incentive Plan within any one-year period shall not exceed 5% of the issued and outstanding Common Shares. The maximum number of Awards, excluding Options, granted pursuant to the Incentive Plan to any one Eligible Participant shall not exceed: (i) 1% of the issued and outstanding Common Shares at the date of grant of such Award; and (ii) 2% of the issued and outstanding Common Shares within the most recent twelve-month period.

The aggregate number of Common Shares (i) issued to consultants under the Incentive Plan within any twelve-month period and (ii) issuable to Persons retained to provide investor relations activities under the Incentive Plan within any twelve-month period, shall in each case not exceed 2% of the issued and outstanding Common Shares, calculated at the date an Option is granted to such Investor Relations Individuals. Investor Relations Individuals are eligible to receive only Options pursuant to the Incentive Plan and are not eligible to receive RSUs or DSUs.

Pursuant to the Incentive Plan, Options must be granted by the Board, or its appointed Board Committee, pursuant to terms specified in the Option Grant Agreement, including designated Eligible Participants, setting the term of the Options, the number of Options granted, the Option Price which shall not be less than the closing price of the Common Shares on the Exchange on the day prior to the date of grant (the “**Market Value**”), and the relevant vesting provisions. An Option shall be exercisable during a period established by the Board, which shall commence on the date of the grant and shall terminate no later than ten (10) years after the date of grant of the Award or such shorter period as the Board may determine. The Incentive Plan provides that the exercise period shall automatically be extended if the date on which it is scheduled to terminate shall fall during a blackout period. In such cases, the extended exercise period shall terminate 10 business days after the last day of the blackout period.

With respect to Options granted to Investor Relations Individuals the Board will specify the particular terms of such Options and will determine, at its sole discretion, the Investor Relations Individuals who will receive Options, the number of Options to be granted and the date of grant of such Options, the Term and Option Price and the relevant vesting provisions, including Performance Criteria, if applicable. Vesting of Options granted to Investor Relations Individuals will occur in stages over a period of not less than twelve months with a maximum of 25% of the Options vesting in any three-month period, and there can be no acceleration of the vesting requirements applicable to Options granted to Investor Relations Individuals. All terms of Options awarded to Investor Relations Individuals are subject to the Option Grant Agreement by which such Options are awarded, as well as to any applicable rules of the Exchange.

The Company has added the availability of a cashless exercise or net exercise provision to the Incentive Plan, which cashless or net exercise provisions are not available to Investor Relations Individuals. Cashless Exercise or Net Exercise allows for the exercise of Options based on selling a sufficient number of the Common Shares available for issue upon exercise of the Options to realize the payment of the Option Price and all applicable withholding obligations.

The Incentive Plan provides that the Board, or its appointed Committee, determines, and the DSU Grant Agreement shall specify, that DSUs will vest after a minimum of one year has passed following the date of the DSU Grant Agreement. Each DSU awarded shall entitle the relevant Participant to receive one Common Share, or the Cash Equivalent, or a combination thereof. Each Participant may redeem their DSUs during the period commencing on the Business Day immediately following their Termination Date (as defined in the Incentive Plan), and ending on December 15 of the calendar year following the Termination Date, or a shorter redemption period set out in the applicable DSU Grant Agreement, which shorter redemption period must begin a minimum of one year following the date of grant of the DSUs; and such one year vesting period must be stated in the DSU Redemption Notice. Acceleration of vesting of a DSU is permitted when a Participant ceases to be eligible as a Participant in connection with the death of the relevant Participant; or in connection with a change of control, take-over bid, reverse-take-over or other similar transaction. The Incentive Plan has been amended to add that, if upon receipt by the Company of a DSU Redemption Notice, the Company does not have a sufficient number of Common Shares reserved for issuance under the Incentive Plan, in lieu of issuing Common Shares to settle the DSUs, the Company will make payment of a

cash amount to the applicable Participant for a value equal to the number of DSUs multiplied by the Market Value, subject to any applicable deductions and withholdings.

The Incentive Plan also provides that the Board, or its appointed Committee, determines and the RSU Grant Agreement shall specify, the relevant conditions and vesting provisions, including the Performance Period and Performance Criteria required to achieve vesting. The Board shall also determine the RSU Restriction Period, provided that such RSU Restriction Period shall begin a minimum of one year following the date of the Award of the RSU as specified in the RSU Grant Agreement and such Restriction Period shall have an end date not exceeding three years after the calendar year in which the RSU Award was granted, subject to the RSU Vesting Determination Date. The RSU Vesting Determination Date must fall after the end of the Performance Period and must be no later than the last day of the RSU Restriction Period. Unless specified otherwise in the RSU Grant Agreement, one-third (1/3) of RSUs awarded pursuant to the RSU Grant Agreement shall vest on each of the first three anniversaries of the date of grant specified in the RSU Grant Agreement. No RSUs will vest prior to one year from the date of award of such RSU. Acceleration of vesting of RSUs is permitted in connection with the death of the relevant Participant; or in connection with a change of control, take-over bid, reverse-take-over or other similar transaction. The Incentive Plan has been amended to add that, if upon receipt by the Company of a RSU Redemption Notice, the Company does not have a sufficient number of Common Shares reserved for issuance under the Incentive Plan, in lieu of issuing Common Shares to settle the RSUs, the Company will make payment of a cash amount to the applicable Participant for a value equal to the number of RSUs multiplied by the Market Value, subject to any applicable deductions and withholdings.

The following table describes the impact of certain events upon the rights of holders of Awards under the Incentive Plan, including termination for cause, resignation, termination other than for cause, retirement, death and change in control, subject to the terms of a participant's employment agreement:

Event	Provisions
Termination for cause	Immediate forfeiture of all vested and unvested Awards
Resignation	Forfeiture of all unvested Awards and the earlier of the original expiry date and 90 days after resignation to exercise vested Awards or such longer period as the Board may determine in its sole discretion.
Acceleration of Vesting	Acceleration of vesting is permitted if: (i) a Participant ceases to be an eligible Participant in connection with a change of control, take-over bid or other similar transaction; or (ii) after the death of a Participant, the relevant Exercise Notice or Redemption Notice must be submitted by the administrator or liquidator of the deceased Participant's estate; and the required vesting period minimum of one year prior to the date of redemption is waived, but such must be stated in the Exercise Notice or Redemption Notice.
Termination other than for cause	Subject to the terms of the grant or as determined by the Board, upon a Participant's termination without cause the number of Awards that may vest is subject to pro-ratio over the applicable performance or vesting period.

Event	Provisions
Retirement	Upon the retirement of a Participant's employment with the Company, any unvested Awards held by the Participant as at the termination date will continue to vest in accordance with the applicable vesting schedule, and all vested Awards held by the Participant at the termination date may be exercised until the earlier of the expiry date of the Awards or six months following the termination date, provided that if the Participant breaches any post-employment restrictive covenants in favour of the Company (including non-competition or non-solicitation covenants), then any Awards held by such Participant, whether vested or unvested, will immediately expire and the Participant shall pay to the Company any "in-the-money" amounts realized upon exercise of Awards following the termination date.
Death	All unvested Awards will vest and may be exercised within 180 days after death.
Change of Control	If a Participant is terminated without "cause" or resigns for good reason during the twelve (12) month period following a change in control, or after the Company has signed a written agreement to effect a change in control but before the change in control is completed, then any unvested Awards will immediately vest and may be exercised within thirty (30) calendar days of such date.

In connection with a change of control of the Company, the Board will take such steps as are reasonably necessary or desirable to cause the conversion or exchange or replacement of outstanding Awards into, or for, rights or other securities of substantially equivalent (or greater) value in the continuing entity, provided that the Board may accelerate the vesting of Awards if: (i) the required steps to cause the conversion or exchange or replacement of Awards are impossible or impracticable to take or are not being taken by the parties required to take such steps (other than the Company); or (ii) the Company has entered into an agreement which, if completed, would result in a change of control and the counterparty or counterparties to such agreement require that all outstanding Awards be exercised immediately before the effective time of such transaction or terminated on or after the effective time of such transaction.

The Board may, in its sole discretion, suspend or terminate the Incentive Plan at any time, or from time to time, amend, revise or discontinue the terms and conditions of the Incentive Plan or of any Award granted under the Incentive Plan and any grant agreement relating thereto, subject to any required regulatory, shareholder and Exchange approval, provided that such suspension, termination, amendment, or revision will not adversely alter or impair any Award previously granted except as permitted by the terms of the Incentive Plan or as required by applicable laws.

The Exchange now requires that amendments to the Incentive Plan made by the Board receive shareholder approval as a condition to Exchange acceptance of the amendments. The Incentive Plan has been amended to change Board amendment items which now must receive shareholder approval, including amendments made:

- to persons eligible to be granted or issued security based compensation under the Incentive Plan;
- to the maximum number or percentage, as the case may be, of Listed Shares that may be issuable upon exercise of Options or conversion of DSUs or RSUs under the Incentive Plan;
- to the limits under the Incentive Plan on the amount of Options, DSUs or RSUs that may be granted or issued to any one person or any category of persons (such as, for example, Insiders);
- to the method for determining the exercise price of Stock Options;

- to the maximum term of any Award granted under the Incentive Plan;
- to the expiry and termination provisions applicable to any Award granted under the Incentive Plan, including the addition of a blackout period;
- to include the addition of a Net Exercise provision; and
- to any method or formula for calculating prices, values or amounts under the Incentive Plan that may result in a benefit to a Participant, including but not limited to the formula for calculating the appreciation of a Stock Appreciation Right.

The Exchange does not require shareholder approval for amendments made by the Board, which are of a general “housekeeping” or clerical in nature. The Incentive Plan is now amended to state amendment items not requiring shareholder approval, including amendments that:

- correct typographical errors; and
- clarify the existing provisions of the Incentive Plan and do not have the effect of altering the scope, nature and intent of such provisions.

Disinterested shareholder approval is required for amendments to the Incentive Plan which:

- (i) change the maximum number of Common Shares issuance from treasury under Incentive Plan, other than as allowed under the Incentive Plan;
- (ii) an amendment that reduces the Exercise Price of an Award and the substitution of that Award by a new Award with a reduced price, except as permitted by the Incentive Plan;
- (iii) any amendment which extends the expiry date of any Award or the Restriction Period of any RSU beyond the original expiry date, except in case of an extension due to a Black-Out Period;
- (iv) any amendment which would permit a change to the pool of Eligible Participants, including a change which would have the potential of broadening or increasing participation by Insiders;
- (v) any amendment which increases the maximum number of Shares that may be issuable to Insiders and Associates of such Insiders at any time; or issued to Insiders and Associates of such Insiders under the Incentive Plan and any other proposed or established Share Compensation Arrangement in a one-year period, except in case of a permitted adjustment; or
- (vi) any amendment to the amendment provisions of the Plan, provided that Shares held directly or indirectly by Insiders benefitting from the amendments shall be excluded when obtaining such shareholder approval.

Shareholder Approval

As the Incentive Plan is considered a “rolling” plan, the Exchange requires the Company to obtain shareholder approval on an annual basis. Accordingly, shareholders will be asked to pass the following resolution at the Meeting:

“BE IT RESOLVED, as an ordinary resolution of the shareholders, that:

1. the Omnibus Incentive Plan, dated for reference October 27, 2021, as amended October 25, 2022 as disclosed in detail in the Information Circular prepared for the annual general meeting

of the Company to be held November 30, 2022, be and is hereby ratified, confirmed and approved for continuation as required annually by the policies of the TSX Venture Exchange;

2. Any one director or officer of the Company be and is hereby authorized and directed to do such things and to execute and deliver all such instruments, deeds and documents, and any amendments thereto, as may be necessary or advisable in order to give effect to the foregoing resolution.”

The Board has determined that the Incentive Plan is in the best interests of the Company and its shareholders and recommends that shareholders vote IN FAVOUR OF the foregoing resolution approving the Incentive Plan.

Approval of the Incentive Plan must be passed by a simple majority of votes cast in favour in respect thereof by shareholders present in person or represented by proxy at the Meeting.

UNLESS OTHERWISE DIRECTED, IT IS THE INTENTION OF THE MANAGEMENT DESIGNEES TO VOTE THE PROXIES IN FAVOUR OF THE ORDINARY RESOLUTION TO RATIFY AND APPROVE THE INCENTIVE PLAN.

A copy of the Incentive Plan, as amended, is posted together with the Meeting proxy materials and available for viewing under the Company’s profile at www.sedar.com and on the Company’s website at www.libertydefense.com.
